

Health City is a Canadian not-for-profit corporation that works with clinicians, innovators, philanthropic organizations, and companies to develop new pathways of care that can drive better health outcomes and economic development in the health sector. Our focus is on transforming innovations from our health sector into solutions that have commercial application and global relevance, adopting them for impact locally and scaling them for export to global markets.

Health City's role is to help pave the way for the transformation of our health economy. This will drive improved health outcomes and economic development for our region that can be scaled globally.
