

Preliminary Call for Papers

Natural Health Product Research Conference: Growing NHPS for the Future

May 26th – 29th, 2019 in Edmonton, Alberta

This is a preliminary call for papers for the 16th Annual Natural Health Product Research Conference, May 26th to 29th, 2019 in Edmonton. Presentations on any aspect of natural health product (NHP) research are welcomed. Key objectives of this conference are to showcase leading edge NHP research and to facilitate the development of new collaborations amongst stakeholders. The conference program will include sessions on the following topics:

Cancer	Neurobiology & Mental Health
Cardiovascular Health	Pharmacology & Toxicology
Commercialization & Regulatory Pathways	Processing Technology
Ethnobotany & Pharmacognosy	Product Innovations
Diabetes, Metabolism & Gut health	Standards Development
Infection & Immunity	Sustainable Production
Natural Product Chemistry	Traditional Medicine

You are cordially invited to submit abstracts of a contributed paper for oral or poster presentation. Although the Scientific Program Committee will attempt to accommodate your preferred method of presentation, the number of oral presentations will be limited and acceptance will be based upon scientific merit. Undergraduate and graduate students are encouraged to submit their abstracts for consideration in the student travel bursary competition and to register for the Student Poster Award and 3 Minute Thesis (3MT) competition.

Please see the following author instructions for details on abstract submissions. The deadline for the submission of abstracts is **March 1st, 2019**.
